

# Johnny Mowlem Track Days 2009

Johnny Mowlem is one of the World's finest sports car drivers. Jenahura are thrilled to offer you the chance of an exhilarating day at the Johnny Mowlem Driving Academy.

In addition to one-to-one coaching and an outstanding choice of cars, every moment of your driving experience will be captured on DVD by DriveData's unique state of the art video and data-logging technology.

## Safety First

The Johnny Mowlem Driving Academy (JMDA) is a member of the RMA Track Club which has an impeccable safety record.

Johnny Mowlem is a Senior Instructor for the British Association of Racing Driver Schools.

JMDA operates a "Safety First" policy.

## Flexibility

JMDA takes a flexible approach to building a Track Day itinerary to suit individual requirements.

The Academy's fleet of 911 Porsches are fitted with DriveData's video equipment but if you prefer the system can be mounted in your very own performance car (with no permanent installation required, e.g. drilling etc.)

We can provide almost any type of car including Caterham 7s, Lamborghinis and Ferraris. The choice is yours!

Track Day venues:

- Donington
- Bedford
- Silverstone
- Snetterton
- Brands Hatch
